Once you have logged in, you will be brought to your **Fundraising Home** where you can see important event details such as the **event name, date, location, and event contact**. You will also see **team name** (only if you're on a team) as well as your **individual progress** towards your fundraising goal **and team progress** (if you're on a team).

This section also provides the opportunity to make a self-donation by **donating to your goal** as well as the ability to **increase your goal**. A self-donation is a strong way to demonstrate that you're committed to fundraising and can set the stage for others to donate to you! **Tip:** Consider increasing your goal as you reach fundraising milestones to show your donors that you're still actively fundraising and need support!

The screenshot shows the ALS Fundraising Home page. At the top, there is a navigation bar with the ALS logo and links for 'EVENT HOME', 'FUNDRAISE', 'DONATE', and 'MENU'. Below this is a secondary navigation bar with 'FUNDRAISING HOME', 'EDIT PAGE', 'EMAIL', and 'SOCIAL SHARING CENTER'. The main content area is split into two sections: 'YOUR PROGRESS' and 'TEAM PROGRESS'. The 'YOUR PROGRESS' section features a large key icon with 'UNLOCKS ALS' written vertically on it. To the right of the key, it shows '\$5 Raised' and '\$0 Goal' (0% To Goal). The 'TEAM PROGRESS' section has two buttons: 'DONATE TO YOUR GOAL' and 'INCREASE YOUR GOAL'. Below these buttons, it says 'YOUR FUNDRAISING WILL HELP FIND A CURE FOR ALS!'. On the left side of the page, there is a 'FUNDRAISING HOME' header with the tagline 'Your family member is the reason we walk!'. Below this, a red-bordered box contains event details: Team: Team ALSInThisTogether, Event: DC Walk, Date: Saturday, October 14, 2023, Location: Washington Monument Grounds, and Contact: Tara Huang, 202-984-1632. At the bottom of this section, it says 'Fundraising Center How-to: English | Spanish'. Blue arrows point to the 'DONATE TO YOUR GOAL' and 'INCREASE YOUR GOAL' buttons.
