

Check-In Volunteer – Rhode Island, Westport, Rochester

Rider Check-In Times: Rhode Island 6-7:20am, Westport 7:30-8:50am, Rochester 10:30am-11:50am

Overview: At check-in, Riders drop off extra donations and pick up their bibs, event wristbands, course maps, and cycling jerseys (if they pre-purchased them in advance) and also may confirm their evening shuttle reservation. Check-in is also a chance to get to know our riders, many of whom are also major donors, volunteers in other capacities, and generally people who love Buzzards Bay and support our shared cause of clean water. Many of them are raising hundreds or thousands of dollars through their Watershed Ride!

- Riders Checking-In: The majority of cyclists will be checking-in this morning to pick up their bibs, wristband, and map, and to drop off any extra donations.
