

## FAQ

### Do-It-Yourself (DIY) Walk

**What is a Do-It-Yourself Walk?** A DIY Walk is a walk held in your own community at a time that is convenient for you. This is a great option for participants who cannot attend one of the 21 Brain Tumour Walk events.

**Can I ask my family and friends to join me?** Yes, please do! Invite your coworkers, classmates, friends, family and neighbours to participate and contribute. Fundraising is easier when you have others supporting the same cause!

**Am I still able to fundraise online?** Yes, you will have access to the same fundraising pages and tools as all other participants attending a Brain Tumour Walk. You will also have the support of the Brain Tumour Walk Help Desk.

**How do I submit donations?** The best way for us to receive donations is through your online fundraising page. Online donations of \$20 or more, completed by credit card, will result in a tax receipt being e-mailed directly to the donor.

All **cheques** should be made out to **Brain Tumour Foundation of Canada** and mailed to our office in London, Ontario by you or your donor. **Cash** donations should be converted to a cheque or money order and sent directly to our office. Please include a pledge sheet with your donor(s) complete information so you or your team can be credited, and tax receipts can be issued.

**Will I receive a Brain Tumour Walk t-shirt?** No, due to ordering and shipping deadlines, we will not be sending t-shirts in the mail. Team Captain's should send their DIY Walk date and location to [btwalkhelp@braintumour.ca](mailto:btwalkhelp@braintumour.ca) to receive a DIY Walk Kit. The kit includes: **bandanas for all registered team members**, balloons, #EndBrainTumours buttons, grey ribbons, and Brain Tumour Walk banner roll. Due to shipping timelines, only those registered three weeks prior to their walk will receive a DIY Walk Kit... encourage everyone to register as soon as possible.

**Will I receive a Patient/Survivor t-shirt?** We will make every effort to send a Patient/Survivors t-shirt to Patient/Survivors who register at least 3 weeks in advance.

**Can I hold a fundraiser and donate proceeds to my Brain Tumour Walk fundraising?** Yes, it's a great way to have some fun, raise awareness and enjoy the support of family and friends. Host a bake sale, organize a dress down day at work, have a paint night or hold a potluck and ask everyone to donate for dinner, the ideas are endless. Request a DIY Walk Kit to help raise awareness and fundraise. Don't hesitate to reach out to the Help Desk if you need any assistance.

**Share on Social Media:** Please share your success and photos with us on social media! Use the hashtag [#braintumourwalk](#) [#endbraintumours](#)

**Pictures:** Take lots of pictures of your fundraisers and your DIY Walk. Please share your photos on Facebook, Twitter, Instagram, or email your photos to [btwalkhelp@braintumour.ca](mailto:btwalkhelp@braintumour.ca). We want to share

as many pictures as possible and let our brain tumour community know that the DIY Walk participants have joined the movement to end brain tumours!
