BRAIN TUMOR FACTS

- Each year over 86,000 people in the United States are diagnosed with a primary or metastatic brain tumor - and 17,000 people will die from one.
- Among children aged 19 and under, brain tumors are the leading cause of cancer-related death, surpassing leukemia.
- Because brain tumors are located at the control center for thought, emotion, and movement, their effects on an individual's physical, mental and cognitive abilities can be devastating.
- No two brain tumors are alike. Prognosis, or expected outcome, is dependent on several factors including the type of tumor, location, response to treatment, an individual's age, and overall health status.
- There are more than 130 different types of brain tumors, making the development of effective treatments very complicated.
- Research is critical to support the vast needs of the brain tumor community, but remains under-funded.

BEYOND ONLINE FUNDRAISING

Spring Cleaning
Declutter your life by holding a garage sale. Make posters to let people know that sales will support the Race for Hope - DC.

Going once, going twice
Do you know a chef? Photographer? Musician? Ask your friends and family to donate items or services, or create your own (see Get Crafty). Sell tickets for a drawing, and make sure to let everyone know that the proceeds will support the fight against brain tumors. You can even invite people for a live or silent auction.

Fundraising with Food
Ask the manager at your local restaurant to donate a percentage of the day’s proceeds to support your fundraising efforts. Work with the restaurant to create a flyer and make sure to let everyone in your network know.

Work it
A participant organized a cut-a-thon at their salon. The proceeds from haircuts given on a special day were donated to the Race. What type of fundraiser can your workplace do?

Dining for Dollars
Host a dinner party, brunch, or lunch and ask guests to make a donation. Have a computer ready so they can give online, or collect cash and checks.

Baking for Bucks
Let the smell of fresh baked cookies, cakes, and cupcakes entice your friends into giving, or get them all involved and hold a bake sale at your school, community center, or work.

Charity Chores
Everyone needs a hand once in a while, so do some dog walking, lawn mowing, or baby sitting. The money you make will bring you one step closer to your fundraising goal. Spread the word by hanging posters with contact information on tear off tabs at your local community center, grocery store, or coffee shop.

Get Crafty
Are you a great photographer, avid knitter, jewelry maker, or do your kids enjoy making projects? Sell your art to raise money or consider organizing a raffle or auction.

Don’t sweat it (or do)
What better way to get ready for the Race, than with some healthy exercise? Whether it’s spinning, yoga, or dancing, ask your instructor to donate the fees from a specific class.

Haute Cause
Do you have gently worn clothes that you no longer want? Chances are you’re not alone. Organize a clothing swap. Ask you friends to make a $10 donation and bring along five items.

Celebrate Hope
Do you have a birthday, graduation, anniversary, or other special occasion coming up? In lieu of gifts, ask friends and family to make a donation on your personal fundraising page.

It’s a Wrap
The holidays are a great opportunity to raise funds. Offer to wrap gifts for friends and family in exchange for a donation.

Casual or Kooky for the Cause
Everyone likes an excuse to skip the school uniform or suit - especially when it’s to support a great cause. Promote a denim, crazy hat, or maybe even a PJ day! Make sure it’s ok with your employer or school, then sell badges, which when worn allow the wearer to participate.

Change for Change
Are pennies, nickels, quarters, and dimes weighing down your wallet? Set up a change jar at your home or in your office, and invite folks to lighten up by getting rid of their extra change. You’ll be surprised by how fast all those coins add up!
