LIVING WITH CANCER

PAINT YOUR WORKPLACE YELLOW!

Cancer touches the lives of too many loved ones. Each of us has been impacted by the disease in some way. **April is Daffodil Month – it's THE month to fight back against cancer at your workplace.**

Your workplace can join this national-wide movement by helping raise funds through our Paint Your workplace Yellow campaign. Workplace fundraising events are incredibly fun, build workplace spirit and foster leadership skills, while raising money for a cause that your friends, family, and co-workers care about.

Funds raised through Daffodil Month help cancer patients and their families by funding life-saving research and support services so that more Canadians survive and no one has to face cancer alone.

There are countless ways to Paint Your Workplace Yellow! Here are just a few ideas:

- Host a Bake Sale – everyone loves a mid-afternoon treat
- Dress Yellow Days – casual days just got a bit brighter
- Desk Decorating Contest – show your daffodil spirit
- Daffodil-themed Fashion Show – strut the office catwalk

Are you ready to get started? We're here to help. Contact us today and we will help you organize a fun and meaningful Daffodil Month fundraiser this April.
