

About Homes For Our Troops

Mission

To build and donate specially adapted custom homes nationwide for severely injured post-9/11 Veterans, to enable them to rebuild their lives. The Veterans Homes For Our Troops (HFOT) serves are among the nation's most severely injured with missing limbs, varying levels of paralysis, blindness and traumatic brain injury (TBI).

About Our Specially Adapted Homes

Each home is equipped with over 40 major special adaptations and exceeds ADA compliancy standards, providing full accessibility for the Veteran. These adaptations include wider halls and doorways; automatic door openers; roll under sinks, stove tops, and counters; pull down shelving, generators and safe rooms, all designed to help the Veteran live independently. HFOT builds four-bedroom, two bath, specially adapted energy efficient homes of approximately 2,750 square feet, the right size home for a Veteran to comfortably raise a family while limiting expenses for utilities.

Building Homes and Rebuilding Lives

Despite their life-altering injuries, many of our Veterans have embarked on new careers, completed their college degrees, and started families. Empowered by the freedom a donated specially adapted custom home brings, our Veterans can now focus on their recovery and returning to their life's work of serving others. Many have embraced their roles as motivational speakers, sharing their messages of persevering through adversity with groups and classrooms around the country; others take to a national platform to promote awareness of Veteran suicide, homelessness and PTSD. Their incredible stories are the driving force for the work we do at HFOT.

Building on Success

As of December 2018, HFOT has built and donated 272 specially adapted custom homes nationwide. There are currently 81 Veterans on our active project list. Our goal is to build a home for every Veteran who qualifies for one of our specially adapted homes.

Our Funding

Homes For Our Troops is privately funded, and therefore relies on the generosity of donors like you. Almost 70 percent of our operational budget is generated by private and family foundations, individual donors and community fundraisers nationwide who step up to help our American heroes by coordinating everything from lemonade stands to golf tournaments. The remaining financial support we receive is from organizations and our corporate sponsors.
