# Community Health Champions

*Partnering for healing and a healthy future through philanthropy*

# Join our team of Community Health Champions!

More than 60 local businesses, community groups and generous friends give back through proceeds from golf tournaments, races, raffles, benefit concerts, car shows, restaurant and retail promotions, toy drives, and more.

With the generous support of our Community Health Champions, MultiCare can provide many services that would not be possible otherwise.

## Step 1

### Choose your cause

Which cause tugs at your heartstrings? Choose from some of the areas most in need of support:

- Adult Day Health
- BRIDGES: A Center for Grieving Children
- Cancer Care
- Charity Care
- Child Abuse Intervention Department
- Hospice & Comfort Care
- Tree House: A Place for Families
- Where the Need Is Greatest
