

# APRIL IS CHILD ABUSE PREVENTION MONTH

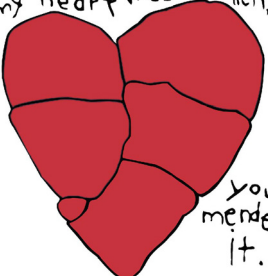

## Pinwheel Directions

1. Print sheet double-sided.
2. Cut out the square, then cut along the solid, curved black lines from each corner to the center.
3. Punch out the red circles in each corner and the center white circle using a hole punch.
4. Gently take each corner and place on the central hole. Use a brad paper fastener or wire to secure the corners to the center of the pinwheel.
5. Secure the brad paper fastener or wire to a stick or straw to complete the pinwheel.
6. Share your pinwheel on social! Tag us @Richstonefamily and include #GoBlue4Richstone
