

Student Rewards

The health. moves. minds. FUNdraiser provides resources to health and physical education teachers to guide their students and school community to make positive health choices – emotionally and physically – creating lifelong positive health behavior skills.

In addition, the health. moves. minds. FUNdraiser benefits students and schools by providing funds back to purchase new PE equipment and materials for their school; supporting a 501(c) charity (if the school chooses); and providing students with rewards for their FUNdraising achievement. These rewards will keep you healthy and physically active with friends and family!

\$25

**Rainbow
SoftTail**

\$50

**Limited
Edition
T-shirt**

\$100
