

Student & School Incentives

The health. moves. minds. service-learning program helps health and physical education teachers incorporate SEL into their classes – and allows schools to address mental health topics school-wide.

In addition to the positive benefits for students and schools – **including up to 50%** of funds raised by your school in the form of a Gopher gift card – the program offers many bonus incentives you're going to love!

Students

It's cool to be kind and raise online!

Students get a special T-shirt when they register and **raise \$25 online** using the online platform!

Schools & Teachers

Raise \$500 or more and get a special banner for your school!

Raise \$2,000 or more and get a FREE one-year Select Membership to SHAPE America!

Earn additional incentives from your State HPE association! Contact your state affiliate to learn what state member benefits are available when your school holds an event.
