

VNA helps people age with dignity and independence at home.

Since 1934, VNA has provided the highest quality care – in the home – across North Texas, especially for those with no place to turn and no means to pay. VNA was chartered as a nonprofit to address the need for home health care in the midst of the Depression. Caring, listening and responding to our patients' quality of life and comfort issues is what we have done for over 80 years. VNA is the community's most trusted provider of quality healthcare services in the home and is the oldest, most experienced Hospice Care provider in Texas. VNA offers Meals on Wheels in Dallas County, and VNA Hospice and Private Care in Collin, Cooke, Dallas, Denton, Ellis, Grayson, Henderson, Hunt, Kaufman, Navarro, Rockwall, Tarrant and Van Zandt counties.
