Your support is vital to saving lives.
The Wisconsin Humane Society operates five shelters in Milwaukee, Saukville, Racine, Green Bay, and Sturgeon Bay, as well as a public Spay/Neuter Clinic in West Allis and a Wildlife Rehabilitation Center in Milwaukee. There is no national umbrella group in animal welfare; we are not a part of HSUS, ASPCA, or PETA. We don’t receive any general government funding, and we are an independent nonprofit working locally in the communities we serve.

The mission of the Wisconsin Humane Society is to build a community where people value animals and treat them with respect and kindness.
