

2023 SNAPSHOT

The Wisconsin Humane Society operates six shelters in Milwaukee, Saukville, Racine, Kenosha, Green Bay, and Sturgeon Bay, as well as our public Spay/Neuter Clinic in West Allis and our Wildlife Rehabilitation Center in Milwaukee. There is no national umbrella group in animal welfare; we are not a part of HSUS, ASPCA, or PETA. We don't receive any general government funding, and we are an independent nonprofit working locally in the communities we serve. Thank you for making all of this incredible work possible in 2023!

Thank you!
